Tuesday, Oct. 2	Republic Eye of the Tiger	(Republic Lions Park)	4:45 pm / 5:30 pm

***Visit <http://secross.weebly.com> for more information!

*** **Remember you can have your son / daughter participate in as many of these as you feel comfortable, but they are not required. Most of the entry fees for elementary races are \$1.00 - \$3.00 per individual. (The fees for the Attica Sutton Bank and Republic Eye of the Tiger are already covered in your child's participation fee).**

Other Announcements:

*** There will be no practice when there is no school (fog cancellations, etc.)

*** Although we would like your son/daughter to attend as many practices/meets as possible, **they are not required.** We are just glad the kids want to try our sport and we want it to be a fun and positive experience.

*** We need parents to pick up their son/daughter as close to 4:00 pm as possible. There are a lot of activities going on at the school and lots of people coming and going. Our volunteer coaches have other jobs and their families to attend to, so asking them to stay 30 minutes after practice is not possible. Hopefully, people who have schedules that conflict can find a carpool to join.

*** The uniform/T-shirt will not be done for the first meet or two, so please have your son/daughter wear any Seneca East shirt or school colored shirt to the first meet of the season.

(The \$20.00 fee for participating not only covers the cost of the uniform/T-shirt, it also covers your son's/daughter's entry fee into both of our home races in Attica and in Republic. Usually these elementary races cost \$1.00 - \$3.00 per individual to enter.)
